**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

**SECTION 100 – PHILOSOPHY & FOUNDATIONS**

**101 MISSION STATEMENT**

The mission of Clovis Christian Schools, in partnership with family, church, and community, is to transform each student into an emboldened Christian disciple who demonstrates analytical thinking to articulate ideas, achieve academic rigor, and defend a Christian, Biblical worldview by cultivating their God-given talents in a Christ-centered environment.

**102 VISION STATEMENT**

To raise up Christian disciples who rightly divide the Word of God and shape the culture to reflect the love and hope of Christ.

**103 CORE VALUES**

Clovis Christian Schools is committed to providing exceptional programs and services to our students and families. Our core values are uncompromising convictions that create the context for this pledge.

We Believe:

Building a personal relationship with Jesus Christ is the very cornerstone of each student's life as a disciple of Christ.

Parents are the first and foremost educators of their children; the school serves the Christian home as partners in education.

A shared moral culture is vital for human flourishing and exists when the home, church, and school form an alliance where Christian, Biblical principles are the guide for moral conduct.

Christian principles work internally on the heart to create transformational change in the moral understanding and behavior of the individual.

Standing boldly for Jesus Christ in every cultural context should be a way of life for Christians.

A Christian, Biblical worldview education best develops and prepares the minds and hearts of students for a life of service to God and society.

Equipping students to think critically and process information in the context of a Christian, Biblical worldview is a primary responsibility of Christian schools.

Effective schools provide academic excellence and maximize each student's potential.

Teaching the Bible as a core subject is essential to the academic curriculum.

Biblical integration across the curriculum cultivates a Christian, Biblical worldview.

Quality, ongoing professional development is vital for the growth of Christian educators and schools.

A plan of consistent evaluation and assessment aimed at continuous improvement

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

is essential to effective Christian schools.

## **104 EDUCATIONAL PHILOSOPHY STATEMENT**

Clovis Christian Schools is an inter-denominational institution of education. It provides a complete learning spectrum of Pre-Kindergarten (Pre-K) through Grade Twelve supported and nurtured by a Corporate Board that represents several churches in the local community. Our purpose is to assist parents in helping their children to grow spiritually, intellectually, physically, and socially (Luke 2:52) and to encourage each student to follow Jesus in service to God (Romans 12:1-2). This school exists to provide a quality, values-oriented education in a genuine Christian environment.

## **105 EDUCATIONAL GOALS AND OBJECTIVES**

The educational goals of Clovis Christian Schools are:

- 100% of our students will graduate and garner a college or vocational scholarship by achieving rigorous academic standards.
- Each student will become spiritually alert, physically disciplined, intellectually acute, and socially connected.
- Each student will cultivate Christian morals and ethics through the teaching of Biblical principles.
- Each student will benefit from a faculty and staff who model Christ and adhere to educational integrity, quality, and accuracy.

## **106 STATEMENT OF FAITH**

We believe that the Bible, inclusive of Old and New Testaments, is the inspired Word of God. It is the only rule in matters of faith and practice. We believe in Creation and that man was created in the image and likeness of God. We believe that Adam and Eve yielded to the temptation of Satan and became fallen creatures. We also believe that all men are born with the need of a Savior. We believe in the Incarnation, the Virgin Birth, and the Deity of our Lord and Savior. We believe in His substitutionary atonement for the sins of mankind by the shedding of His blood on the cross. We believe in the resurrection of His body from the tomb and His ascension into heaven. We believe He sits at the right hand of the Father and is now our advocate. We believe that He will personally come again. We believe in His power to save men from sin. We believe in the power of the Holy Spirit. We believe that salvation is by grace through faith in the atoning blood of our Lord and Savior, Jesus Christ. We believe that God is almighty and deserves our praise and worship. The method used to worship God is not as important as the fact that we do worship Him. We are created for the pleasure of God and to fulfill His purpose.

### **106.1 STATEMENT ON MARRIAGE, GENDER & SEXUALITY**

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

nature of God. (Gen 1:26-27.) Rejection of one's biological sex is a rejection of the image of God within that person.

We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture (Gen 2:18-25). We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other (1 Cor. 6:18; 7:2-5; Heb. 13:4). We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God (Matt 15:18-20; 1 Cor. 6:9-10).

We believe that in order to preserve the function and integrity of Clovis Christian Schools as the local Body of Christ, and to provide a biblical role model to the Clovis Christian Schools members and the community, it is imperative that all persons employed by Clovis Christian Schools in any capacity, or who serve as volunteers, agree to and abide by this Statement on Marriage, Gender, and Sexuality (Matt 5:16; Phil 2:14-16; 1 Thess. 5:22).

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ (Acts 3:19-21; Rom 10:9-10; 1 Cor. 6:9-11).

We believe that every person must be afforded compassion, love, kindness, respect, and dignity (Mark 12:28-31; Luke 6:31). Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of Clovis Christian Schools.

**106.2 FINAL AUTHORITY FOR MATTERS OF BELIEF AND CONDUCT**

Our statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of Clovis Christian Schools' faith, doctrine, practice, policy, and discipline, our Board of Directors is Clovis Christian Schools' final interpretive authority on the Bible's meaning and application.

**106.3 STATEMENT ON THE SANCTITY OF HUMAN LIFE**

We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage of condition from conception through natural death. We are therefore called to defend, protect, and value all human life (Psalms 139).

## SECTION 200 - SCHOOL ORGANIZATION

The position of the CCS Corporate Board is that parents have the primary responsibility for their children's education, and that CCS exists to serve parents who desire a Christian education for their children. The Board goes on record as supporting the right of Board members and school staff to have their children in other schools. Homeschooling and Christian education are not perceived to be in conflict.

- Upon acceptance for admission, parents will receive an acceptance letter and make financial arrangements for tuition payment.

### **202 Non-Discrimination**

It is and shall be the policy of Clovis Christian Schools, Inc., in the admission of students or the hiring of employees, not to discriminate on the basis of the applicant's race, color, sex, and national or ethnic origin.

**NOTE:** Persons may appeal the non-acceptance of their student(s) to the Superintendent, who is the final authority on this matter.

### **203 STANDARDS OF CONDUCT**

Clovis Christian Schools recognizes that parents are given the primary responsibility of training and educating their children (Ephesians 6:4; Proverbs 22:6), and that discipline is a primary part of this training (Proverbs 13:24). In addition to being a responsibility of parents, discipline is also the responsibility of fellow believers in the educational environment (Galatians 6:1-8). As an extension of the home and the Christian community, CCS recognizes that its responsibility is to maintain a high standard of conduct for students in all school-related activities.

Clovis Christian Schools desires for each student to have a personal relationship with Jesus Christ and to reflect His character in their daily lives. CCS expects students to conduct themselves in accordance with Biblical standards and to strive toward Christian character in attitude, conduct, and dress. Each student must understand that attending CCS is a privilege granted to those who will demonstrate a spirit of cooperation with the philosophy and purpose of the school.

#### **203.1 GENERAL CONDUCT**

- Students are expected to follow Biblical principles of behavior.
- All medications are to be left in the Health Assistant's Office with a note from either the parent or physician.
- Unless prior written permission has been granted by a teacher or the school administrator, students are not permitted to have the following on campus: toys, electronic games, remote control devices, radios and other sound equipment, skateboards, roller skates or roller blades, gum and sunflower seeds, and pocket knives of any type.
- Sunglasses and hats may be worn outdoors only. They must be kept in school lockers.
- No food or drinks in the classrooms or elsewhere in the buildings on a daily basis (except in the lunchroom area during lunch period OR the Eagle's Nest during Coffee with Jesus). Exception: Water bottles are allowed in classrooms; however, containers must have a lid. No food or drinks of any kind are allowed in the vicinity of computers.

## **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

- Students are expected to pick up after themselves and help keep the classrooms and school grounds clean and neat. Teachers should encourage students to clean up areas in a manner that instills pride in the school grounds.
- Hall passes: The purpose of the hall pass is to provide the student with proof that they have the teacher's permission for leaving a class at any time. Students must have a hall pass when outside the classroom during school when class is in session.

### **203.2 DISCIPLINARY GOALS**

It is the goal of our disciplinary procedures that Christ-like character and conduct be displayed by students in the following ways:

- Voluntary obedience to school authority and school rules.
- Responsibility and promptness in doing assigned or expected tasks.
- Cooperation and love expressed to peers and adults at all times.
- Courtesy and respect for other's right to learn in a calm and orderly environment.
- Good stewardship of school and personal property.
- Respect for the property of others.
- Consistency and promptness in attendance.
- Moral conduct in respect to recreation, social relationships, and language.

### **203.3 STANDARDS OF CONDUCT**

Listed below are some of the policies regarding standards of conduct for students enrolled at Clovis Christian Schools, whether on or off campus. The following policies are a guideline for students to follow, and the Administration reserves the right to interpret and clarify school policy. The Administration also reserves the right to shortcut this system if deemed necessary. In consultation with Administration, teachers are granted the right and responsibility to establish their own reasonable disciplinary procedures for minor infractions within their classrooms. Students who are on some kind of probationary status may have a different standard applied to their situation.

- It is expected that every student live by a standard of behavior that is consistent with the principles found in the Bible, as listed above as goals of disciplinary behavior.
- Sexual immorality (as outlined in our Statement of Faith and Student Code of Conduct) or the possession or use of alcoholic beverages, tobacco,

## CCS STUDENT - FAMILY HANDBOOK

REVISED: MAY 30, 2019

weapons of any kind, explosive materials, illegal drugs of any kind, or obscene literature either on or off campus can result in suspension or expulsion from CCS. (Romans 13:13)

- Cheating, bad language, stealing, lying, swearing, or violence may result in suspension or expulsion from the school.
- Students are not only expected to refrain from these kinds of conduct but also to encourage their peers to do the same. Students who know of these violations or other serious offenses are expected to assist the Administration and the Faculty in maintaining a Christian environment. (Colossians 3:8-9)

The Bible tells us in a positive way the expectations for believers, both young and old.

**Galatians 5:22-23** “But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.”

**Ephesians 4:29-5:2** “Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up, according to their needs. . . . Get rid of all bitterness, rage, and anger. . . . Be kind and compassionate to one another, forgiving each other, just as God in Christ forgave you. Be imitators of God . . . live a life of love, just as Christ loved us and gave himself up for us.”

**Philippians 4:8-9** “Finally brothers, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable - if anything is excellent or praiseworthy - think about such things. Whatever you have learned or received or heard from me, or seen in me - put into practice. And the God of peace will be with you.”

It is our desire that each student attending CCS demonstrate positive Christian character, consideration of others, a willingness to obey and be taught, and to speak positively of the school, staff, and other students.

### 203.4 DISCIPLINARY CONFERENCES

As with any discipline system based upon Godly precepts, Grace must prevail. It is an acknowledged fact that it is harder for some students to control themselves. They are, each and every one, a unique creation of God, and, thus, some students require more help to reach required standards. Our desire is to help students perform up to their God given potential, behaviorally and academically.

Conferences will be held as soon as possible when students demonstrate or continue to demonstrate behaviors that are contrary to the Standards of Conduct. During the conference, the following guidelines should be followed:

- Be sure each offense is clearly definable and documentation of the offense is possible.
- Establish responsibility for disobedience.

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

- Communicate grief over the offense.
- Associate love with correction.
- Establish God as final authority.
- Make correction; if the parent is called, be sure to help bond after correction. (Teach this.)
- Comfort the child after correction. Pray with parent, student, and teacher.
- Discuss restitution.
- Evaluate your correction and the student's response to it.
- Make contact with parent if negative behavior continues to be a problem.

**203.5 UNCHANGED BEHAVIOR**

When a student does not respond to teachers, administrators, and parents and causes sufficient disturbance to prevent a teacher from carrying out his/her responsibilities or prevents other students from learning, it shall be deemed necessary to discuss suspension and/or dismissal with parents. These cases will be considered on an individual basis.

**203.6 SUSPENSION**

Suspension is withholding the privilege of attending class from the student. The intention of suspension is to give the student a period of time in isolation from other students to reflect upon the seriousness of their actions and to take the necessary steps to correct their behavior and attitude. Students will not be allowed to attend school. Students will be expected to do all regular class work in order to stay current with their class; however, they will only receive a maximum grade of 70% for this work. Students may not participate or attend any extra-curricular activities during suspension and must not be on school property during the time of suspension, except in the case of in-school suspension.

Below are listed some of the offenses that may result in a suspension:

- Disrespect of faculty or staff
- Class disruption or continuous talking during class
- Refusal to do an assigned task/homework, etc.
- Cheating, forging, or using forged notes; lying; profanity; and sexually explicit or harassing language
- Inappropriate demonstrations of personal affection - **CCS enforces a "hands off" policy** (e.g., no hugging, handholding, kissing, etc.).
- Physical violence of any kind or the threat thereof or name calling (including making fun of others)

## **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

- Bullying, harassing, or intimidating another student, either verbally or physically.
- Destruction or defacing of school property will result in paying for repairs as well as other disciplinary consequences
- Cutting class or leaving school without permission from the office
- Stealing
- Truancy
- Five detentions in a semester will automatically place a student in suspension or expulsion status.

### ***203.7 EXPULSION - DISMISSAL FROM SCHOOL***

After three suspensions within one school year, a student shall be subject to expulsion. Expulsion results from excessive misbehavior, when other means of correction have not been

effective. It is also understood that, if at the time of their original interview, parents do not make full disclosure of any previous academic, behavioral, medical, or legal difficulties of the student; the Administration reserves the right to dismiss the student. Expulsions are at the discretion of the Administration. Offenses that may result in immediate expulsion include:

- Possession or use of tobacco, illegal drugs, or alcohol either on or off campus
- Carrying or using weapons (instruments) to do bodily harm
- Striking a teacher or other school personnel
- Sexual immorality, including practicing or professing to be a homosexual or bisexual
- Extreme vandalism
- Involvement in gang activity on and/or off campus
- Bullying, harassing, or intimidating another student, either verbally or physically

When a student is expelled or dismissed, he or she will not be allowed to return to Clovis Christian Schools for one year from the date of expulsion and cannot attend any extra-curricular events held by the school. Only with the approval of the Corporate Board can they be readmitted after the year has elapsed.

### ***203.8 WEAPONS***

Clovis Christian Schools has adopted a comprehensive weapons policy for the protection of the student body and teachers. The school does not anticipate use of this policy and wants this policy to be viewed as a precautionary measure.

**203.9 BULLYING, HARASSING, AND INTIMIDATION**

***Purpose***

We have determined that we need to adopt a formal policy on the forbidding of and prevention of student bullying, harassment, and intimidation. Such behavior is not permitted at Clovis Christian Schools (CCS). Accordingly, this policy is established to prevent and prohibit bullying, harassment, and intimidation on school property and at school-sponsored activities and to state the consequences of engaging in such behavior.

It also requires school employees to report incidents of bullying to the school principal or other school administrators as outlined. Additionally, it calls for the policy to be clearly communicated and available to teachers, parents, students, and all other stakeholders.

In adopting this policy, CCS does so with the intention of providing a safe, socially healthy, and sound educational setting for all students and to do so within an environment where students are able to learn, free from fear.

***Definitions***

However, when there is clear, documented evidence of any of the prohibited behaviors described in this policy, such behavior shall be promptly addressed according to the procedures outlined below.

Each offense will be referred to the school Principal for disciplinary response. Each offense will require a parent’s signature on a discipline incidence form. The consequence shall be:

### **206 FINANCE**

All resources are God's resources, regardless of who possesses them (Deuteronomy 10:14), and He alone is the source of provision for His people (Psalm 23:1; Philippians 4:19). It is our desire to make Christian education available to the largest number possible by holding tuition at the lowest level possible, consistent with the desire for quality Christian education. Thus, it is incumbent upon us as employees of Clovis Christian Schools to be good stewards of all that God has provided us.

### **207 TUITION AND FEES**

#### ***207.1 TUITION***

It is our desire to make Christian education available to the largest number possible by holding tuition at the lowest level possible, consistent with the desire for quality Christian education.

Payment of tuition by the parents is not the only area of responsibility to the school. Other ways of participation include prayer for the school, its families and teachers; transportation to various activities; attendance at school meetings; service on committees; maintenance and improvements to building and grounds; and giving, as God enables, to meet financial needs.

CCS will assess each student enrolled in the school a tuition fee as established annually by the Corporate Board. Since CCS has an obligation to its employees, students are considered enrolled for the entire school year. Therefore, no reductions can be made for vacations or school holidays. No deductions will be made from tuition for absence during the school year, regardless of the cause of such absence.

Tuition is computed based upon the number of months in attendance (based on a ten month school calendar). If a student enters the school during the year, the tuition owed is computed by rounding the time remaining in the school year up to the nearest month.

Tuition for part time students (applies to home school students only) is computed by prorating the actual time spent in class to the total number of class periods offered during a normal school day.

If a student withdraws or is terminated during the school year, refunds will be computed according to the Tuition Refund Policy.

#### ***207.2 TUITION REFUND***

Clovis Christian Schools is committed to holding true to its stated mission and the faith bestowed upon it with the enrollment of each student. To that end, Clovis Christian Schools has established a Tuition Refund Program as a part of its overall budget in order to allow the School to pay the expenses

## **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

necessitated by and incurred in order to deliver the educational experience its students (your children) need and deserve.

Clovis Christian Schools' expenses are incurred on an annual basis. The most significant annual expenses are those directly related to enrolled students and teacher salaries paid to the teachers employed to teach those enrolled students.

If a student withdraws during the school year, the tuition owed is computed by rounding the time remaining in the school year down to the nearest month. If there is a difference of tuition paid and pro-rated tuition, a refund of tuition will be paid to the parent up to the last day of January. ***No tuition shall be refunded if a student withdraws February 1st and thereafter.***

### **207.3 WITHHOLDING OF TRANSCRIPTS**

Student records, including report cards, achievement scores, transcripts, and special testing scores, will be released to the student, to a transfer school, or a requesting college when the student account is paid in full, all textbooks and library materials are returned, and all fines are paid to the school, including lunch balances.

### **207.4 REGISTRATION FEE**

All students enrolling at CCS are assessed a non-refundable registration fee. This fee may be discounted for early registration as determined by the Corporate Board.

### **207.5 SUNDRY FEES**

The school may collect sundry fees for student expenses such as yearbook costs, attendance fees for athletic events, extracurricular activities fees, field trip fees, etc. The school assesses a bus transportation fee to and from Cannon AFB and Portales. The current fees for bus transportation are \$35 per month per family for Portales and \$25 per month per family for Cannon AFB.

### **207.6 TUITION PAYMENT PLANS**

Tuition may be paid as follows:

- In full at the beginning of the school year or in two semester payments. An early payment discount plan is available, as established by the Corporate Board.
- Tuition may be paid in 10 or 12 monthly installments via automatic draft program. Registration payment may be rolled into total tuition due.
- Scheduling of payments will be made by in the Finance Office.

### **207.7 DELINQUENT ACCOUNTS**

## **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

- Tuition is considered late if not paid at the time bank drafts are drawn. A reminder note is sent.
- After the 30<sup>th</sup> day past due, an unpaid account becomes delinquent. A second letter is sent after the 40<sup>th</sup> day past due containing instructions regarding disenrollment procedures.
- By the 4<sup>th</sup> Tuesday of the second month past due, a payment plan must be arranged with the Superintendent and Finance Office to bring the account current by the 90<sup>th</sup> day.
- On the Friday following the 60<sup>th</sup> day, disenrollment is automatic unless an account is brought current or a written payment schedule is arranged to bring the account current on the 90<sup>th</sup> day.
- Failure to bring accounts current on the 90<sup>th</sup> day, according to a payment schedule, will result in disenrollment.
- All accounts must be paid in full for the current term for grade cards, transcripts, and diplomas to be issued.
- After disenrollment, a student may apply for reenrollment when accounts are brought current. Registration fees are waived.
- After an account has remained delinquent for three months, with no response from the parent(s) to establish an agreed upon payment plan to address outstanding tuition and insufficient fund charges, it will be turned-over to a professional collection agency for collection.

### **207.8 TUITION DISCOUNTS AND ASSISTANCE**

Annually, Clovis Christian Schools receives from benefactors monies dedicated to scholarships. Scholarships are made obtainable to all families with a financial need, as funds are available. Since funds are received throughout the year for this purpose, the total amount of money available for disbursement is based upon prior years giving. Funds received for scholarships are so noted when received. Families requesting financial aid are required to apply online through "FAST," Financial Aid for School Tuition. Parents are required to pay an application fee directly to FAST for financial information processing. The Scholarship Committee meets annually in May to review and approve these requests based upon anticipated scholarship donations.

### **208 BARTERING**

The Superintendent has the authority to barter tuition on a limited basis with individuals for services that the school needs. A barter contract will be initiated with these individuals delineating how services received will be accounted for.

### **209 Fundraising**

## **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

Fundraising (also development or advancement) is the process of soliciting and gathering contributions as money or other resources, by requesting donations from individuals, businesses, charitable foundations, or governmental agencies for the purpose of raising money for a specified cause or project.

At CCS, any event that is hosted in connection with or on behalf of CCS, and conducted by a school employee, parent, or student, for the sole purpose of raising funds to benefit an internal or external cause or project is considered a fundraiser; therefore, it requires approval from the principal and superintendent of schools.

All fundraising requests must be formally submitted to the East or West Campus principal on a CCS Fundraiser Application form (CCS-ADV-16) by the following deadlines:

- ◆ 1<sup>st</sup> Qtr—3<sup>rd</sup> Friday in August
- ◆ 2<sup>nd</sup> Qtr—3<sup>rd</sup> Friday in October
- ◆ 3<sup>rd</sup> Qtr—3<sup>rd</sup> Friday in December
- ◆ 4<sup>th</sup> Qtr—3<sup>rd</sup> Friday in March

Thorough planning is essential before completing the CCS Fundraiser Application. Although planning does not take the place of doing, effective planning is 75% of hosting a successful fundraising event. Unless you have a defined purpose, need, and timeline for a fundraising event, you do not need to raise funds. Important questions to ask when considering a fundraising request are as follows:

1. Why is this fundraiser essential? What is its purpose?
2. What will be the starting and ending dates of this project?
3. Who will conduct the event? (Sponsor, students, parents, etc.)
4. Who will benefit? (Class, sports, school)
5. Who is the target? (Parents, businesses, students, etc.)
6. How much money do I need to raise?
7. What will it cost me to conduct this fundraiser?
8. How much money do I expect to retain? (Profit)
9. How many fundraisers have I or the organization I am representing submitted this school year?

## **210 FACILITIES USE**

CCS facilities are a gift from the Lord, and the school wants to be a good steward of that gift. As a result, the following guidelines must be adhered to:

### ***210.1 FACILITY USERS***

- Any school organization desiring use of a facility must receive prior permission from the Superintendent.

## **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

- Any organization outside the school will be considered for use of the facility only if:
  - (1) It is a non-profit organization
  - (2) It supports the ministry of CCS, has a Spiritual emphasis, and is consistent with our Statement of Faith.
  - (3) It has some affiliation with or relationship to the school
  - (4) Its use would, in some way, benefit the school
  - (5) It is willing to pay the cost of using the facility
- Staff members and other Christ-centered organizations may have a need to borrow equipment, i.e. tables, chairs, roasters, etc. from the school. The use of these items is authorized only after approval by the School Superintendent or, in his/her absence, one of the school's principals. Item must be signed out on a hand receipt form (CCS-A-61). CCS reserves the right to deny this privilege to anyone it so deems appropriate.

### **210.2 FACILITY RENTAL**

The gymnasium and/or cafeteria, of Clovis Christian Schools may be rented by approved facility users by signing a "Facility Use Contract" (CCS-A-50) and paying the prescribed fees and deposit as prescribed by the Schedule of Fees determined by the Corporate Board.

- (1) The rental will be scheduled and approved by the Superintendent to avoid scheduling conflicts with school activities.
- (2) Use of the facilities shall be limited to those organizations and/or persons that: support the ministry of CCS, have a Spiritual emphasis, and are consistent with our Statement of Faith. Any exceptions must have CCS Corporate Board approval.

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

**SECTION 300 - SCHOOL, HOME, AND COMMUNITY**

**301 PARENT RESPONSIBILITIES**

- Parents should be acquainted with the doctrinal statement, goals, and other information given at the interview.
- All parents are encouraged to attend the beginning of school year orientation, as well as other meetings.
- Parents are expected to activate their CCS website RenWeb account in order to monitor student progress, communicate with teachers, and receive school correspondence.
- Parents are encouraged to attend parent-teacher conferences.
- Parents are to find out the full story when student/teacher conflicts arise.
- Parents are responsible for getting their children to and from school **ON TIME**. The school provides limited transportation, but ultimately transportation is the parents' responsibility.
- Parents should make every effort to build school spirit by supporting the school's activities and programs.
- Observing one's child in a classroom setting can provide the parent with helpful insight into the child's classroom environment. Each parent is invited to observe in his or her child's classroom for one hour per semester (fall and spring). This includes athletics and other elective classes. Below are some helpful things to remember when observing: Younger children are not allowed in the classroom. There should be little or no conversation with other observers or the students. Please take a seat in the back of the room. Please do not sit next to your child's desk. If you wish to discuss your child's progress, please refrain from conversing with the teacher until after school. It is very important that the teacher's undivided attention be on the students. No observation is allowed in the last two weeks of each semester. Please remember to pray for your child and your child's teacher. Also, please realize that the earlier in the year that you observe, the more beneficial it will be for your child. You may find areas where you may help your child as you become familiar with his or her environment. If, after observing, you have questions concerning any area of the classroom, please feel free to contact your child's teacher.
- Parent involvement is an essential part of your child's education at CCS. We believe strongly in parent participation and will expect you to be involved as an active partner in your child's school community. CCS cannot function without parent volunteers at lunch, recess duty, fundraisers, activity sponsors, etc.

This Handbook will be reviewed annually, updated as required, and approved by the Corporate Board before distribution to school families at the beginning of each school year.

This Handbook has the full force of Board policy.

### **305 PARENTAL PROCEDURES WHEN PROBLEMS OCCUR**

From time to time, disagreements may occur as to practices and procedures at CCS. It is our desire to resolve all disagreements and to restore relationships between parents, students, and staff of CCS. We believe interpersonal problems should be handled according to Matthew 18:15-17:

"If your brother or sister sins, go and point out their fault, just between the two of you. If they listen to you, you have won them over. But if they will not listen, take one or two others along, so that 'every matter may be established by the testimony of two or three witnesses. If they still refuse to listen, tell it to the church; and if they refuse to listen even to the church, treat them as you would a pagan or a tax collector."

Only in this way can problems be resolved instead of becoming a source of irritation that leads to many sins (James 3:4-12). Please use the following procedures when handling difficulties:

- Contact your student's teacher and discuss the problem.
- The solution to any problem should be sought with Christian love, one to another. Please do not discuss the problem with other parents, students, or faculty. Discussing any situation with anyone other than those directly involved or those in the proper chain of command is wrong and counterproductive. Continual action of this kind on the part of any parent is reason for removal of the family from the school. The services of the school are engaged by mutual

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

consent, and either the school or the parent reserves the right to terminate any or all services at any time.

- If the situation cannot be resolved, the parent and/or teacher should make an appointment with their school's Principal and subsequently with the Superintendent.
- The last recourse, if the situation has not been resolved, is to contact the Board President in writing and request a meeting with all parties involved.
- Please note that admission to the school is a privilege, not a right, and admission for one school year does not guarantee automatic admission for future school years.

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

**SECTION 400 - SCHOOL PERSONNEL**

**401 STAFF**

***401.1 NON-DISCRIMINATION***

It is, and shall be, the policy of Clovis Christian Schools, Inc., in the admission of students or the hiring of employees, not to discriminate on the basis of the applicant's race, color, sex, or national or ethnic origin.

***401.2 PERSONAL QUALIFICATIONS***

- All staff members shall give evidence of good moral character.
- All staff members shall be Christian role models in attitude, speech, and actions both in and out of school. (Luke 6:40)
- All staff members shall give evidence of adequate physical and mental condition.
- All staff members shall agree to uphold the purposes and objectives of CCS, as stated in the Employment Contract and Statement of Faith. Shall a staff member find he/she is no longer in harmony with the stated purposes and objectives as outlined, it is his or her Christian duty to notify the Superintendent.

***401.3 PROFESSIONAL QUALIFICATIONS***

- Teachers shall have a minimum of a Bachelor of Arts or a Bachelor of Science Degree from a recognized college or university.
- Teachers shall have or acquire ACSI certification upon employment with Clovis Christian Schools.
- Teachers shall have had (or be willing to pursue) courses specifically prescribed by the Corporate Board in the area of Christian education and philosophy.

**402 CHILD ABUSE AND NEGLECT**

The detection and reporting of child abuse or neglect is required by both the Children's Code (32A-4-3 NMSA 1978) and the Public School Code (22-5-4.2 NMSA

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

1978). Abuse of a child under the Children's Code refers to the physical, sexual, emotional or psychological abuse of a child by a parent, guardian or custodian. According to the Children's Code, failure to report abuse or neglect of a child is a misdemeanor. The terms "abuse" and "neglect" are defined in detail in Section 32A-4-2 NMSA 1978 of the Children's Code. There is also the crime of child abuse, which consists of anyone

who knowingly, intentionally, negligently or without cause, causes or permits a child to be placed in a situation of endangerment to the child's life or health, torturing or cruelly confining a child, or exposing a child to the inclemency of weather. To address the detection and reporting of child abuse or neglect at Clovis Christian Schools, school employees who know or suspect that a child is an abused or a neglected child shall immediately report the matter to either a law enforcement agency or the New Mexico children, youth and families department.

So long as such report is made in good faith, the reporting school employee shall be immune from civil liability or criminal sanctions for their action. Any school employee who permits a member of a law enforcement agency or an employee of the human services department to interview the child with respect to that report without the permission of his parent, guardian or custodian is presumed to be acting in good faith and shall be immune from civil and criminal liability that might otherwise be incurred, unless the employee acted in bad faith or with malicious purpose.

All employees have a mandatory, nondiscretionary duty to report known or suspected abuse or neglect of a child. It is not the duty of the school employee making the report to conduct an investigation to determine whether the child identified has in fact been abused or neglected. The duty to investigate the report is set forth in Section 32-1-15 of New Mexico Statutes. The failure of any school employee to report knowledge or suspicion of the child abuse or neglect will be cause for criminal prosecution and may be cause for discipline of the employee.

If the school employee elects to report knowledge or suspicion of child abuse or neglect to his or her immediate supervisor rather than making the call directly to the appropriate agency, he or she must remain present in the room while the call is being made by his or her supervisor. A written report from CYFD and/or a law enforcement agency shall be requested when making a report.

All school personnel, including substitute teachers, educational assistants, health assistants or school nurses, school counselors, and other instructional service providers shall complete training ***in the detection and reporting of child abuse or neglect, within their first year of*** employment by, or providing services to, Clovis Christian Schools.

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

**SECTION 500 - INSTRUCTIONAL PROGRAM**

**501 INSTRUCTION**

Textbooks and supplementary teaching materials are selected after careful consideration of their academic quality and Christian, Biblical worldview. Most of our textbooks come from Christian textbook publishers. However, secular textbooks may be used in curriculum areas where no high quality Christian texts exist. Where this is the case, teachers must approach all content with Godly discernment. A strong phonics program will be the foundation of the reading and language arts curriculum. Creation, rather than evolution, will be the foundation of the science curriculum regarding the origins of life. However, students will study evolutionary theory and the creation-evolution controversy to ensure they can logically compare and contrast these two theories and defend their Christian, Biblical worldview.

**502 INSTRUCTIONAL TIME**

Clovis Christian Schools ensures that every student will be actively engaged in instructional activities throughout the school day. It is important that interruptions to the instructional process be kept to a minimum. The following procedures were created to protect instructional time:

- Broadcast messages, with the exception of morning announcements, will occur only in the case of emergency or unanticipated event.
- Students will begin instructional activities immediately upon the beginning of class or when the tardy bell rings. Bell to bell instruction will be the consistent practice.
- Only emergency or expected calls will be sent to classrooms during instructional time.
- Only expected visitors will be allowed to visit instructional areas.
- School and classroom schedules will reduce the number of transitions for students from one school location to another.
- Scheduled activities to reward student behavior will be aligned with curriculum and instructional guidelines.
- Video and television broadcasts will be used for instructional purposes only and support the core content.
- Morning announcements will be limited to a maximum of 5 minutes.

**503 TEACHING GOD'S WORD**

Along with quality academic education, the day-to-day teaching of Christian truths and concepts is of primary importance at CCS. The goal is to educate children about Christ in a manner that motivates them towards Christ-like character and conduct. Christianity is recognized as an optimal lifestyle.

## **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

School faculty are committed to unity among a school constituency from many different Christian churches. The teaching of God's Word emphasizes unity, not uniformity or unanimity. While uniformity implies thinking and acting alike and unanimity implies everyone agreeing, unity is what the Bible encourages: "The body is a unit, though it is made up of many parts . . . ." (I Corinthians 12:12)

Every effort is made to make the study of God's Word an enjoyable experience for all students. Throughout the week, God's Word is presented in distinct ways, including:

- Daily devotion - beginning or during the school day by honoring the Lord.
- Integrated curriculum - merging God's Word into all academic subjects. No subject can be taught apart from the "truth of Scripture."
- Bible curriculum - studying the Bible as a subject.
- Chapel service - featuring praise and worship and "age appropriate" sermons in a gathered community environment.

### **504 CURRICULUM AND EDUCATION**

#### ***504.1 PURPOSE***

The educational program shall be designed to carry out the Philosophy of Education for CCS. Textbooks and curriculum, as available, should reflect the general understanding for the necessity of the Word of God as foundational in every area of academic pursuit.

#### ***504.2 PARENTAL INQUIRY OF CURRICULUM***

Parents may freely inspect the current curriculum and texts their children will be using.

#### ***504.3 COMBINED CLASSES***

The Administration has the full authority to create and schedule combined classes for adjacent grades, as long as this action is to the benefit of the students and school.

#### ***504.4 CONCURRENT ENROLLMENT***

CCS, in combination with Clovis Community College (CCC) and Eastern New Mexico University (ENMU), offers sophomores, juniors, and seniors the opportunity to attend college and receive dual credit for these courses. There are two tracks for these courses: academic and vocational. Parents must obtain permission prior to enrolling students in these courses. In addition, parents must request a dual credit application from the Student Services office and present this form to the CCC or ENMU registrar when scheduling

and paying for classes (may ONLY be the cost of course-related fees).  
***Parents are responsible for ALL costs for these courses.***

All textbooks will be the responsibility of the parent/student. A minimum 2.0 GPA should be maintained in these courses.

CCS believes this program has many benefits such as:

- Easing students into college life while still having support from home.
- A commitment that takes students to another academic level.
- Attaining up to twenty-four college credit hours upon graduation by a student using the program.
- Completing Honors classes if desired through selected courses.
- Acquiring vocational skills if desired through selected courses.

The Student Services office maintains the primary responsibility for this program.

### **504.5 PHYSICAL EDUCATION**

Physical education is a credited course that is required to graduate from High School. Physical education teaches improvement of human development through the medium of physical activities; therefore, physical fitness will be emphasized. Each student is introduced to a wide variety of sports, strategies, and self-development of their motor skills. Physical education concerns itself with the total well being of the individual, which encompasses physical, mental, social, emotional, and spiritual health.

Physical educators use a different type of grading scale. Clovis Christian Schools' teachers give grades to the students for attendance, suiting out in the proper clothing, participation in activities, improvement throughout the year, and following instructions. A grade may also be given for instruction and assignments related to the CCS health curriculum.

A student must attend four periods or at least one half of their daily schedule to be allowed to participate in extra-curricular activities on that day or the day after when the activity falls on a Saturday. If a student is unable to participate in PE that day, they cannot participate in sports either.

The Clovis Christian Schools dress code for physical education is:

- Each student is to suit out with the required clothing, which is a navy, medium blue, or light blue t-shirt with navy, medium blue, or light blue gym shorts (see athletic dress code for length), and the proper shoes. When the weather is cold, sweat pants and jackets are acceptable.

## **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

- If a student does not suit out, he/she student will receive an “F” for the day.
- Each student will suit out every day, even if they have a doctor’s excuse and do not have to participate.
- Sweats are a required item for students to wear for P.E. during inclement weather. The color of the sweats is immaterial; we just want children to be warm if they have to be outside when it’s cold. The determination of when sweats are needed is a day-to-day call made by the P.E. teacher.

### **505 SPECIAL NEEDS**

Students needing additional instruction in reading and math skills may be referred to the respective Principal or SAT team. Students needing individualized assistance may need to be taught in a different way from other students. However, they must be made to feel a part of the main group in every possible way. This instruction time is only supplemental to the regular academic program. These students are to be phased in and out of supplemental work as smoothly and quickly as possible. Parents must be advised prior to placing a student into this instruction. Further training will be conducted in this area, if needed.

### **506 SPIRITUAL LIFE**

There is no distinction between the “secular life” and the “spiritual life.” For the Christian, all of life is lived through a Christian, Biblical worldview. All academic subjects and other activities must reflect our God and our relationship to Him. Each day should include the following:

#### ***506.1 PRAYER AND INTERCESSION***

Prayer and intercession are keys to a victorious Christian life. The teacher is to serve as a guide and facilitator in teaching the principles of prayer and intercession. A journal may be kept by the teacher or students recording the prayer time activities. Urgent prayer needs are to be reported to the Superintendent and considered for full school/staff follow- up.

#### ***506.2 BIBLE INSTRUCTION***

Bible instruction is incorporated into the academic schedule as a core subject. Instruction will include practical life applications.

#### ***506.3 CHAPEL***

Weekly chapels are held with all students and teachers in attendance. Parents are also encouraged to attend. Teachers are to encourage a spirit of attentiveness and reverence toward God.

### **507 SCHEDULES**

## **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

**Elementary:** A daily schedule is to be posted near the door on the outside of the classroom.

**Middle School and High School:** Schedules will be posted near the door on the outside of the classroom that reflects each class held in that room during the day.

### **508 PARENT/TEACHER CONFERENCES**

- Parent/Teacher Conferences are scheduled for the fall and the spring. Parents will be given opportunity to pre-schedule these conferences. If a parent chooses not to schedule a time on the day of the conference, the teacher need not feel obligated to make special arrangements. School will be dismissed on the days designated for Parent/Teacher Conferences. (See School Calendar for dates.)
- The conferences allow for building relationships with parents as well as communicating the more subjective evaluations of social and spiritual progress. Samples of student work, achievement tests, and other pertinent information should be available at any time during the year as deemed necessary by the teacher or parent.

### **509 FIVE-WEEK PROGRESS REPORTS**

Five-week progress reports are posted to the CCS website via RenWeb by the beginning of the 6<sup>th</sup> week of each quarter.

### **510 INTERIM PROGRESS REPORTS**

Interim Progress Reports may be distributed at any time to parents whose children are not making satisfactory progress in the basic skills/subjects or in character growth and development.

### **511 REPORT CARDS AND GRADING PROCEDURES**

#### **511.1 REPORT CARDS**

Report Cards will be generated four times a year. They will indicate academic achievement in all subjects as well as character development. These are posted to the CCS Website via RenWeb for parents and students to access. Pre-K and Kindergarten will receive hard copies, which are to be signed by parents and returned to teachers for all quarter postings.

#### **511.2 GRADING SCALES**

Student achievement in academics and character growth is reported each 9 weeks through report cards. Achievement is reported at each grade level as follows:

### 512 HOMEWORK

- Homework is assigned as follows:
  - When appropriate
  - For Scripture memorization
  - To provide supplementary drill in math facts and general reading practice
  - As preparation time for a test in class later in the week
  - To prepare special projects (reports, science displays, etc.)

Remember, there is to be ***NO homework on Wednesdays for students in grades Pre-K to 6<sup>th</sup> Grade***, although, students may have work to do if they have not completed in-class assignments. If your child is given homework on a Wednesday,

# CCS STUDENT - FAMILY HANDBOOK

REVISED: MAY 30, 2019

please notify their respective Principal and/or the Superintendent of this problem immediately.

- The following time guidelines apply:

| <b>GRADE</b>  | <b>TIME</b>     | <b>TYPE OF HOMEWORK</b>          |
|---------------|-----------------|----------------------------------|
| Pre-K         | 10 Minutes      | Supplemental Reading             |
| Kindergarten  | 10 Minutes      | Supplemental Reading & Spelling  |
| Grade 1       | 10 - 15 Minutes | Supplemental Reading             |
| Grades 2 - 3  | 15 - 30 Minutes | Spelling Words, Math Facts, etc. |
| Grades 4 - 6  | 30 - 45 Minutes | Spelling Words, Math Facts, etc. |
| Grades 7 - 12 | As Needed       | All Subjects                     |

Homework is mandatory in order to evaluate a student's understanding of the subject material. In grades 9-12, work turned in one day late will receive a maximum of 50%. In all other grades, work turned in one day late will receive a maximum of 70%. A zero will be given if homework is turned in more than one day late.

## 512 MAKE-UP WORK

In all cases of absences, students will be required to complete the necessary make-up work. The primary responsibility in this matter is with the student and parent, not the teacher. Arrangements for make-up work must be made by contacting the teacher before or after classroom hours. Parents should request homework when reporting their child's absence. Zeros will be given for work missed and not made up in the appropriate timeframe. Zeros are averaged into the final grade.

Students with excused absences will be allowed the number of days absent for make-up work. For example, a student absent three days who returns on Monday will have until Thursday to complete homework and/or tests. A student absent only on the day of a test may be required by the teacher to take the test immediately upon return. Long-range assignments are due on the assigned date or immediately upon return.

## 513 STANDARDIZED TESTS

CCS administers the following standardized tests and the results will be used to determine student academic growth as well as the strengths and growth areas in each curricular area.

- Reading assessments will be given as necessary for grades 1-12.
- Early Literacy or Readiness assessments will be given to grades K-1.
- TerraNova 3 Achievement Tests will be administered to grades 3-10 in the spring of each school year. In grade 10, we also administer the PSAT and in grades 11-12 students take the ACT Exam. ***Please note that all students at CCS must score at least a 20 on the ACT to graduate, beginning with the class of 2015.***

## CCS STUDENT - FAMILY HANDBOOK

REVISED: MAY 30, 2019

- ACT or SAT should be taken by juniors and seniors. These are college admission exams. Colleges require entering freshmen to have taken at least one of these. The cost of the exam is the responsibility of the parents.
- Students desiring to take dual credit courses through Clovis Community College (CCC) are required to take the ACCUPLACER placement exam at CCC.
- Sophomores, juniors, and seniors are encouraged to take the ACCUPLACER exam during the spring semester of each school year to determine academic growth.
- Advanced Placement exams are available to students who have completed Advanced Placement courses. The cost of the exam is the responsibility of the parents.
- PSAT exams will be encouraged for juniors showing potential for the National Merit Scholarship Award.

### 514 RETENTION AND PROMOTION

#### 514.1 ELEMENTARY

While it is recognized that retention of a student in a grade can be a very traumatic experience to all, it is sometimes necessary so that the student has the opportunity to master skills, which will place them in a position for success later in school. Following are criteria for promotion in the elementary grades at CCS.

**Pre-Kindergarten** - A student will promote based on age appropriateness and social skills.

**K and Grade 1** - A student will promote if they have satisfactory progress in Math and Reading as determined by the classroom teacher and evaluated by the Elementary Principal.

**Grades 2 and 3** - A student will promote if they have grades of at least 70% by the end of the school year in the subject areas of Math and Language Arts (reading, spelling, writing, and language).

**Grade 4** - A student will promote if they have passing grades in four out of the five core subjects, (Bible, Math, Language Arts, History, and Science).

#### 514.2 MIDDLE SCHOOL

Students in grades 5 through 8 are considered members of CCS Middle School. To be promoted to the next grade, a student must pass at least 4 of the following required courses: Bible, Language Arts, Math, History, and Science.

#### 514.3 HIGH SCHOOL

Students in grades 9 - 12 are considered members of High School. Students must successfully complete 7<sup>th</sup> and 8<sup>th</sup> grade before they can be admitted to High School.

## CCS STUDENT - FAMILY HANDBOOK

REVISED: MAY 30, 2019

High school students are required to take the usual English, Math, Social Studies, and Science courses, as well as Bible. Electives will be offered based upon student interests, needs, and the availability of staff. Offerings are subject to change from year to year. Electives may include art, vocal and instrumental music, computer literacy, languages, and drama. Sports may include basketball, cheerleading, football, golf, track, and volleyball.

CCS requires a minimum of 26 credits for graduation to be earned in grades 9-12. For each semester of a passing grade in a class, a .05 credit is earned. Requirements include:

**Note: Seniors must take a minimum of 5 classes, regardless of their credit count.**

### 514.4 SENIOR ENROLLMENT

## **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

Seniors will pay full CCS tuition and must take a minimum of 5 classes per semester, regardless of their credit count. In an effort to ensure that CCS seniors are earning pre-college credits, Clovis Christian Schools partners with CCC and ENMU-Roswell to provide college courses at no cost to the parents. All textbooks will be the responsibility of the parent/student. A minimum 2.0 GPA should be maintained in these courses.

### **514.5 WORK STUDY PROGRAM**

A work-study program is available for members of the junior or senior class. Interested parents and students should talk to the High School Registrar or Principal for the specifics of this opportunity.

Criteria:

- Juniors or seniors will be allowed to be released from school for a work-study program and receive one half credit per semester, (counted as an elective credit).
- Students must maintain a 2.0 GPA cumulative average at CCS.
- Students must be taking a minimum of four classes at CCS (the work study can count as the senior's required fifth class).
- Students must be actually working during the time they are released from school to be in a work-study program, thus an "after-school" job would not qualify as a work-study matriculation.
- Students must maintain and submit a weekly timesheet reflecting their hours worked. The student's supervisor must sign each form indicating their agreement.

### **514.6 HONOR ROLL**

The CCS Honor Roll recognizes students in grades 3-12 that have achieved a 3.5 GPA with no C's or 2.0's each quarter.

### **514.7 ACADEMIC PROBATION**

School policy requires any student with a G.P.A. of below 2.0 or with a zero on any report card be placed on academic probation. This probation is reviewed every two weeks, and students who fail to make progress or exhibit sufficient effort are subject to suspension or eventual expulsion from the school. Teachers and the Administration will make **every effort** to assist these students to succeed.

## **515 WITHDRAWAL/REPEATING CLASSES**

- A student may withdraw from an elective course without penalty up to the end of the second week of the course. If a student wishes to change electives,

## **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

he/she can only change at the end of the first semester with the approval of the respective teachers, parents, and the administration.

- Secondary students may repeat courses in which a “D” or “F” grade is received. Only one course in which a “C” or above is received may be repeated. Any appeal from this limit must be addressed to the Administration. No course shall be repeated after a subsequent course is taken (i.e. one for which the first is a prerequisite). Grades from repeated courses will be averaged for GPA computations. Only one credit will be issued for repeated classes. Both grades and courses remain on the student’s record.

### **516 SCHOOL WITHDRAWALS**

- Withdrawals from school are to be made through the respective school office. All withdrawals during the year must be made in writing and shall be effective when such notice is delivered to the school.
- The student must have turned in all books and materials belonging to the school, and all accounts must be paid in full, before grade cards and transcripts can be released.
- Tuition payment is to be made through the end of the calendar month of withdrawal.

### **517 TRANSFER**

- High school credits can only be transferred from an accredited educational institution or as determined by the Superintendent.
- Any parent or guardian seeking to transfer their child into CCS from any other school must make affirmation that he/she has no outstanding fees, tuition, accounts, or other obligations to any school previously attended before their child can be accepted as a student of CCS.
- Transcripts of all prospective secondary students wishing to enroll at CCS will be reviewed by the Registrar before enrollment.
- Current students wishing to take courses outside of CCS for credit at CCS must obtain prior approval from the administration.
- In order to graduate from CCS, a senior must be enrolled in at least 5 classes for the entire school year.

### **518 HONORS CLASSES**

Honors classes are open to all Clovis Christian Schools secondary students who are satisfactorily working toward their high school graduation requirements, and, in the judgment of the Administration, are able to carry the extra load of advanced classes along with their regular load. Honors classes are designated in this manner: those above the regular required courses, such as Spanish 3, Physics, and Advanced

## **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

Placement courses. Also, some concurrent enrollment classes at Clovis Community College are counted as Honors classes, as determined by the Administration of Clovis Christian Schools. Annually, the Administration will review the concurrent enrollment classes to determine those that are considered Honors classes, since these offerings vary. Each of the Honors classes will be graded on a 5.0 scale, thereby carrying additional weight over the regular course offerings.

### **519 GRADUATING CLASS AWARDS**

#### ***Grades 9-12***

Clovis Christian Schools calculates grade average and rank-in-class for all students at each grade level for grades 9-12. In the ninth grade, all students are combined as one class for the first time. A grade point average and rank is generated for each student at the end of the first semester. Each semester, grade point averages and ranks are recalculated. Grade point averages are figured on a four-point scale with A=4, B=3, C=2, D=1, and F=0. Advanced Placement (A.P.), Honors classes, and identified dual credit/concurrent enrollment (college) courses will have the following grade weights: A=5, B=4; C's and D's will not be weighted.

#### ***Seniors***

Class rank will be computed once at the conclusion of a student's seventh semester of high school work to provide parents and students with student rankings for college entry and scholarship applications. Grade changes occurring after this point will be entered on the student's transcript and cumulative GPA will be adjusted; however, class ranking will not be re-calculated. Grade point average and rank-in-class are part of each student's permanent record and are included on all transcripts. Grades from all courses that count toward graduation are averaged except those graded pass/fail or satisfactory/unsatisfactory.

Rank is based on student cumulative GPA. All students earning a cumulative GPA of 4.0 or higher will be ranked as #1. All students earning a cumulative GPA of less than 4.0 will be ranked in the order of highest GPA below 4.0 to lowest GPA below 4.0 beginning with the rank of #2 (e.g. 3.99 = rank of 2<sup>nd</sup> in class, 3.98 = rank of 3<sup>rd</sup> in class, etc.). No valedictorian or salutatorian will be named. The student earning the highest GPA for the graduating class will be recognized as earning highest academic honors for that senior class. Foreign exchange students are not calculated in class rank.

### **520 ATTENDANCE**

Clovis Christian Schools must comply with the compulsory attendance laws in the State of New Mexico. Regular attendance and promptness are required of all students. Students are to demonstrate responsibility and dependability through their attendance. Both attendance and tardiness are recorded by the teacher, and compiled records of attendance are kept for reference. A student will be allowed no more than 10 excused absences each school year and no more than 5 unexcused absences each school year.

#### ***520.1 PUNCTUALITY***

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

Punctuality at the beginning of the school day is imperative to the student's success and the organization of the school and classroom. Because determining the validity of tardies is difficult and open to interpretation, Clovis Christian does not generally distinguish between excused and unexcused tardies. Instead, each student is allowed 3 tardies per semester without penalty.

**520.2 TARDINESS**

Tardiness is defined as being late by 15 minutes or less. Students in grades 6-12 are considered absent when they are more than 15 minutes late for a class period.

After three (3) tardies, students will serve a maximum of sixty (60) minutes of detention for each offense. Detention may include any of the following: cleaning of the facilities/grounds, lunchroom duty, and/or additional coursework.

An **Elementary or 5<sup>th</sup>-6<sup>th</sup> grade student** who arrives at school after 8:00 a.m. should report to the Office to obtain a tardy slip before proceeding to class.

A **7<sup>th</sup>-8<sup>th</sup> grade or High School student** who arrives at school after the 8:00 a.m. bell sounds must sign in on the Student and Visitor Log and then report to the Office to obtain a tardy slip before proceeding to class.

No student should be allowed into class without a valid slip after the 8:00 a.m. bell rings.

Tardies between classes in Middle School and High School should not be tolerated by teachers. Any student tardy to class without presenting a valid pass to his or her teacher will be assigned detention. It is the teacher's responsibility to make sure that any student entering his or her classroom late has an appropriate slip.

The contact persons for our Absentee/Tardy Program are the Health Assistant or Executive Assistant for Elementary/Middle School (Grades 5-6) and the Executive Assistant for Secondary/Middle School (Grades 7-8). Additionally, all administrative staff personnel should be familiar with the attendance procedures in case they need to fill in during the Health Assistant or Executive Assistant's absence.

**Elementary** teachers will take attendance via Grade Quick and submit the data no later than 8:30 a.m. every morning and again by 12:30 every afternoon.

The Health Assistant will pull the absentee report from the software program, make the necessary phone calls to verify the location of absent students, and send a report to every staff member via e-mail.

**Middle School and High School** teachers will take attendance via Grade Quick and submit the data no later than 8:30 a.m. every morning and again within the first ten minutes of each class period for which they have students.

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

The Executive Assistant will generate the absentee report from the software program, make the necessary phone calls to verify the location of absent students, and send a report to every staff member via e-mail.

Teachers must conduct a daily roll call in each class and each period as a part of their normal routine.

The Health Assistant and Executive Assistant will use a software program to document absences/tardies ensuring proper backup procedures are used so data is not lost.

**520.3 EXCUSED ABSENCE**

Anytime a student does not attend school without prior written notice, parents are responsible to notify the school before 9:00 A.M. If we have not heard from parents by 9:00 A.M., the school office personnel will attempt to contact the parents as soon as possible. The first purpose of the notification is to ensure the safety of the missing student. The second purpose is to allow us to keep timely and accurate records of all absences on a daily basis.

- **College Days:** Students are strongly encouraged to visit a variety of colleges. CCS annually visits colleges/universities on two scheduled days to give students an opportunity to explore various college options and to learn about college life. Junior or Senior students are allowed one additional day per year to visit colleges or universities of their choice with their parents. In order for the absence to be considered an excused regular absence, a written request must be received from the parent at least two weeks before the day the student is absent. Students remain responsible for missed work.
- **Funeral:** If a student is absent due to a death in the family, parents should notify the school as soon as possible regarding the length of the absence. Parents should seek counsel from the School Principal and their student's teacher to evaluate academic implications when the funeral leave will be for more than one day.
- **Illness:** If a student is absent 3 or more days from school due to an illness, parents will be required to provide a doctor's note upon the student's return to school.
- **Professional and Doctor's Appointments:** As often as possible, doctor's appointments should be made after school hours. If an appointment is needed during school hours, a parent's call or a note should be submitted before the appointment. Recurring appointments should not be scheduled during the same class period every month. Students will not be permitted to leave campus without parental contact with the office.
- **Make-up work for Excused Absence:** Because all make-up work (including tests, quizzes, homework, etc.) is the specific responsibility of the student, students with anticipated absences, including athletic trips and field trips, must check with their teachers before their absence. The day of his or her

## **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

return to school, the student will verify all work he or she missed. The number of days to turn in work missed equals the number of days the student was absent. (If one day, the work will be due the second day a student is in school, etc.). Long-range assignments are due on the assigned date or immediately upon return.

If the first day of a student's return is the day of a test or quiz, the student will make-up the test at the time arranged by the teacher. If a student was absent only the day before a test, he or she is still responsible to take the test the day of his/her return.

It cannot be emphasized enough that it is the student's responsibility to know these procedures and contact the teacher promptly to complete the requirements of the class missed.

### **520.4 UNEXCUSED ABSENCE**

We classify missed class time for hair and nail appointments, birthday outings, errands, spring fever days, day after sports events, unauthorized visits to another school campus, family trips or vacations, etc. as unexcused. Parents are encouraged to use great discretion when considering unexcused absences. Parents should seek counsel from the School Principal and their student's teachers to evaluate academic implications. Routine class work and daily assignments due on the day or days of unexcused absences will receive no credit for each day

missed UNLESS the student was able to complete and submit this work in advance of the unexcused absence(s). Major tests and long-term assignments (i.e., research papers, presentations, and other assignments requiring more than 4 consecutive days to complete) missed must be made up with reduced credit (80%) within the same time period allotted for excused absences.

A student who has accumulated five unexcused absences within any twenty-day period will be considered "Truant." A student who has accumulated the equivalent of ten or more unexcused absences within a school year is referred to as a "Habitual Truant."

### **520.5 TRUANCY**

CCS places a very high priority on students being where they are supposed to be at all times. Students who leave the campus without permission from the school office will be considered truant. Intentional class cuts or leaving the campus without authorization will result in school discipline including suspension, revoking any privilege, potential suspension of eligibility for extra-curricular activities, and ultimately expulsion.

Parents must ensure their child attends school. In accordance with New Mexico State Law, after a student is considered "truant" CCS will contact the student's parent(s) or guardian(s) to inform them and discuss possible interventions. A representative of the school will also meet with the student and his or her parent(s) or guardian(s) to identify the cause for the student's truancy, identify what actions can be taken that might prevent the truancy,

## **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

identify possible school and community resources to address the cause for the truancy, and establish a corrective action plan to address the problem.

If the student is a “habitual truant,” CCS will give written notice of the habitual truancy to the student’s parent(s) or guardian(s). If there is another unexcused absence after this notice, the student will be reported to the probation services office within seven days. If the parent(s) or guardian(s) are found responsible for the truancy, they may face prosecution.

### **520.6 INCOMPLETES**

If, at the end of a grading period, a student has any incomplete assignments as a result of an excused absence(s), an “I” will be recorded as his/her temporary grade. The student will be allowed the normal make-up period based on the number of days absent. The Incomplete grade will be changed to a numerical grade by the end of the first week of the following nine-week period. Incompletes will not be granted for students who have incomplete assignments due to unexcused absences.

### **520.7 ATTENDANCE/COURSE CREDIT**

In order for a student to receive credit for any course, he/she must not miss more than ten days of the time the class meets in any given semester. Failure to meet this attendance minimum may result in failure of the class.

Special exemptions will be considered for long-term illnesses when a doctor’s letter of notification is received. The student’s track record of completing assignments and meeting class expectations will be evaluated.

If an extended absence for reasons other than illness is anticipated, prior approval for an exception to the 10-day standard is required.

Absences due to participation in school sponsored field trips, school initiated extra- curricular activities, and college visit days (maximum of 3 per junior and senior year) will not count against the 15-day maximum of absences allowed in a given school year. However, students not demonstrating good attendance and punctuality may need to forego field trips, college visit days, and other extra-curricular activities at the discretion of the school principal.

### **520.8 EXTRA-CURRICULAR PARTICIPATION**

A student must attend four periods or at least one half of their daily schedule to be allowed to participate in extra-curricular activities on that day or the day after when the activity falls on a Saturday. If a student is unable to participate in PE that day, they cannot participate in sports either.

## **521 DETENTION**

- Detention will either occur during the lunch hour or beginning at 3:15 P.M. for elementary/middle school (5-6) students and 3:30 for high school/middle school (7-8) students. For after-school detention, Grades 1 – 4 will serve 30 minutes from 3:15 to 3:45, 5<sup>th</sup> - 8<sup>th</sup> graders will serve 45 minutes from 3:15 – 4:00, and high

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

school students will serve 60 minutes from 3:30 to 4:30. Teachers need to be prompt since students are expected to be there at the same time.

- Secondary students (7-12) who have served 5 lunch detentions for not turning in their homework or turning in incomplete homework will begin serving after-school detention on the 6<sup>th</sup> detention. Once students reach the 10<sup>th</sup> detention, they should arrive at school by 7:15 a.m. to serve before school detention. Eleven total detentions related to homework may be cause for suspension or withdrawal from CCS.
- Students will be scheduled detention as needed on Monday-Friday. The supervisor of the detention detail will discuss with each student their infraction(s) and the specific duties they will perform as a direct result of their detention.
- This discussion with all students should highlight:
  - Admission of guilt
  - Need for repentance
  - A plan for future success
  - Prayer

After this discussion, the student will begin serving detention.

Detention is meant as a means to help students change poor behavior. The example of exemplary behavior is our Lord and Savior, Jesus Christ. Thus, this is the way we need to steer our students as they, and we, attempt to become more Christ-like in all we do.

## **522 CLASS PARTIES**

Teachers may have four parties per year – Thanksgiving, Christmas, Easter, and an end-of-school activity; every party should be connected to students’ academic learning objectives. The latter may be held off campus with permission from the principal, but, if done that way, it counts as a field trip. Children are not permitted to bring invitations for birthday parties to school, unless the entire class is invited. Special friends should receive their invitations by mail or telephone. This will eliminate innumerable problems with reference to hurt feelings. Valentine’s Day is noted by end of the day cupcakes and card exchange. Celebration of Easter will reflect the importance of our Lord’s resurrection.

## **523 COMMUNICATION**

Communication between Clovis Christian Schools and its parents and students is very important. CCS attempts to communicate in various ways such as the CCS website via RenWeb, e-mail, Parent/Teacher Conferences, newsletters, telephone, student planners, and blue envelopes. It is important for parents and students to be aware of these methods and be an active part of the communication process to benefit from the greatest educational experience possible at CCS.

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

**523.1 RENWEB - WEBSITE**

All students and parents are given an activation code upon enrolling in Clovis Christian Schools. It is the parent and student responsibility to activate the code and keep a current e-mail address in the system. Parents should login to the system on a regular basis to check student grades, assignments, calendar events, and news items. Teachers are required to maintain class web pages, which give specific information pertaining to each class. CCS also sends out numerous e-mail messages that contain pertinent information regarding upcoming events, school cancellations and delays, and important announcements.

**523.2 BLUE ENVELOPES**

The following procedures apply to the Elementary school and may be utilized by the middle school teachers to attempt to improve the communication process between school and home. A blue envelope distribution system that requires students to hand-carry items home to parents on a weekly basis has been implemented. The responsibility for these envelopes begins with the teachers, transfers to the students, and then belongs to the parents. A reverse order of responsibility is realized after the parent has seen the contents of the envelope and has the student(s) return the same. Following are the procedures that pertain to this program:

- Each student will have a blue envelope. These envelopes will be provided to each teacher and should be treated as an item to be accounted for; in other words, lost envelopes will be paid for at a rate of \$1.00 per lost envelope.
- Weekly, teachers will distribute blue envelopes for students to take home and return the next school day.
- Correspondence goes home in the blue envelope in addition to graded papers and assignments each week. Parents may use the return of the blue envelope for communication purposes also. Upon return of the blue envelope, the teacher will remove any document that requires school action and disseminate it accordingly.

**523.3 STUDENT PLANNERS**

Grades 3 - 12 utilize student planners to help the students remain organized with their assignments. Parents should be aware of these and check them to know what assignments their child has received and when they are due to be completed.

**524 TELEPHONE USE**

Students may use the office phone for emergency calls only. Teachers must send a permission slip with any child wanting to make an emergency call. Students cannot be called out of class to accept calls, except for emergencies. Messages are to be taken and submitted to the School Receptionist at the designated campus.

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

Teachers and students are not permitted to make any long distance calls unless cleared through the Superintendent. Delivery of flowers, balloon bouquets, etc., will not take place until the last 15 minutes of the school day so as not to interrupt the educational process.

Students may not use cell phones or electronic communication devices (ECD) at school. Clovis Christian Schools strongly recommends that students **NOT** bring their cell phones to school. If a student elects to bring a cell phone to school, the device must remain turned off and in the student's backpack or locker. Setting the cell phone or ECD to vibrate, no ring, or special high octave ring tones are not a substitute for having the device turned off. Time between classes or study halls are no exception to rules. If a phone is discovered to be on the student's person, in the student's desk, or turned on during prohibited hours it will be confiscated, turned into the principal, and placed in a sealed envelope until the end of the day. Only the student's parent can get the cell phone released from the principal. A second offense will result in the student not being allowed to bring the cell phone back to school.

Clovis Christian Schools shall not assume any responsibility for theft, loss, or damage of a cell phone or ECD, or unauthorized calls made on a cell phone, at the school or any school-sanctioned activity (e.g., athletic events, award ceremonies, graduation, and performances).

**525 KINDERGARTEN PROMOTION CEREMONY**

The Principal shall be in charge of all scheduling and rehearsals, programs, and reception. The goal is to keep each year as uniform as possible.

Parents should be selected to act as hostesses for both the promotion and reception functions. The respective PACE representative should assist with this selection. Other actions the PACE representatives should take include:

- Coordinate with class parents the cookies, punch, napkins, cups, and table covering for the reception.

- The High School Principal, in concert with the Superintendent, will approve all senior class speeches for graduation. These must be submitted at least one week in advance of graduation for approval.
- A reception is not mandatory but is at the discretion of the graduating class. Monies from the CCS budget shall not be used to cover the cost of the reception. If a reception is decided upon, it is the sole responsibility of the Senior Class and/or their parents to finance, setup, decorate, and cleanup. The Superintendent has final approval regarding all aspects of the reception.
- The High School Principal will be receptive of ideas and suggestions from the Senior Class, Senior Sponsor, and parents; however, all final decisions will be made by the Principal in concert with the Superintendent.

**603 DEALING WITH CHALLENGED MATERIALS**

Clovis Christian Schools Library strives to provide wholesome materials that adhere to Christian ideals and reflect the school's philosophy. The library tries to stimulate interest in learning and to encourage reading. Selections from the library collection are considered carefully with emphasis placed on age-appropriateness and correlation to classroom curriculum.

When library materials are questioned or challenged, it is library policy for the individual to fill out a formal complaint on the ***Request for Reconsideration*** form CCS-A-13. This procedure will name the item in question and state the reason for the objection. A formal complaint may be filed with the Pre-K-8th or High School Principal.

A written report will be submitted giving the final evaluation within two weeks of the initial complaint.

**604 OFFICIAL NOTIFICATION OF ACCEPTABLE USE PROCEDURES FOR THE COMPUTER SYSTEM AND THE INTERNET FOR CLOVIS CHRISTIAN SCHOOLS**

***Introduction:***

Clovis Christian Schools (CCS) provides resources for teaching and learning, communication services, and business data services by the acquisition of computer equipment and maintaining access to local, regional, national, and international sources of information. CCS permits use of its computer system and information resources by students and staff who must maintain respect for the public trust through which they have been provided, in accordance with policy and procedures established by CCS. These procedures do not attempt to articulate all required or prescribed behavior by its users. Successful operation of the computer system and network requires that all users conduct themselves in a responsible, decent, ethical, and polite manner while using the network. The user is ultimately responsible for his/her actions in accessing network services.

***Guidelines:***

1. Access to the computer system, information networks, and to the information technology environment within CCS's system is a privilege and must be treated as such by all users of the network and its associated systems.

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

**SECTION 700 – STUDENT SERVICES**

**701 STUDENT ACTIVITIES**

- All student organizations shall have purposes and guidelines. Activities of the student organizations shall be approved by the Administration.
- For the welfare of students and families, no CCS activity shall be scheduled on Sunday. Sponsors and parents are encouraged to schedule activities at times which do not conflict with church services or family affairs, such as holidays and normal vacation periods.
- Students participating in Secondary School athletics must pass an annual physical exam administered by a physician of the parents' choice. Written certification of the student's eligibility to participate in athletics must be provided to the school before the student can participate in any athletic events or scheduled practices. A variety of activities are options for student participation. These depend upon student interests, funds needed, and the availability of coaches, sponsors, and volunteer adult supervision, etc.
- Archery is not an NMAA sanctioned sport. The CCS Archery Team will travel to Louisville, Kentucky, to compete in the NASP National Championship Tournament ONLY once every three years upon winning the state championship, unless the overall team score merits an opportunity to place in the national competition. When a highly competitive score indicates an elementary, middle, or high school archery team stands to place in a national competition, an exception may be made to the 3-year rule.

**702 FELLOWSHIP OF CHRISTIAN ATHLETES (FCA)**

CCS desires and will strive to have an effective FCA program. Annually, a staff member and a parent volunteer will be sought to work with this program.

**703 STUDENT GOVERNMENT**

The Clovis Christian Schools Student Government will annually identify a staff member and a parent volunteer to provide guidance and oversight. CCS Student Government was established to:

- Lead others to accept Jesus Christ as Savior and Lord.
- Model through example the Christian disciplines of prayer and Bible study.
- Serve as a communication link between the students, faculty, and Administration.
- Promote and provide Christ-centered outreach to the surrounding community.
- Serve the students, faculty, and administration of Clovis Christian Schools as the best example of our Lord and Savior, Jesus Christ.
- Organize and execute all school pep rallies and the Homecoming dance.

# **CCS STUDENT - FAMILY HANDBOOK**

**REVISED: MAY 30, 2019**

## **704 ATHLETICS**

CCS offers a variety of sports activities and is a member of the New Mexico Activities Association (NMAA). We participate in all regular and post-season competition available for each sport. CCS shall, at a minimum, meet all eligibility requirements established by the sanctioning organization.

### **704.1 PHILOSOPHY AND VALUES**

Athletics is an important part of the Clovis Christian Schools educational program. The experience of participating in athletics is an excellent opportunity for all students who attend our school.

Participation in a sound athletic program contributes to good sportsmanship, character, physical development, coordination, a wholesome interest in sports, and the discipline necessary in a Christian life.

Interscholastic sports competition exemplifies the value of the democratic process and of fair play. Through participation, the student athlete learns how to work with others for the achievement of group goals.

Good sportsmanship practices have life-long values. The athlete who acts fairly, who observes laws and customs, who treats others with consideration, and who takes adversity with dignity earns respect. Students in today's schools are tomorrow's community citizens and, as adults, will demonstrate many of the attitudes they are now learning.

### **704.2 GOALS**

#### ***Varsity Sports Programs***

These programs are focused towards the competitive level because we play against public schools whose philosophy is competition. The coach will place on the courts or the field of play the most competitive team available to them. The Administration acknowledges that wins and losses are part of the game; however, the expectation of our coaches is that our teams be well prepared, competitive, and, most importantly, always role models for good sportsmanship and Christian character.

#### ***Junior Varsity Programs***

When student participation numbers dictate, a Junior Varsity Program will be utilized to give lower-ranked Varsity players more game time and higher-ranked Junior High players a greater competitive challenge. Procedures for playing players are as with those noted below with the Junior High Programs.

#### ***Middle School Programs***

These programs are focused towards the development of skills necessary for participation at the Varsity level. The coach of any sub-varsity team should emphasize development of areas needing improvement on an individual and team basis. The coach will play every team member in every game to ensure that the possibility of improving their skills under the pressure of a game situation will be available to all.

**CCS STUDENT - FAMILY HANDBOOK**  
**REVISED: MAY 30, 2019**

**704.3 ATHLETIC GENERAL PROCEDURES**

- Athletic safety is a number one priority. Participants must be aware that other athletes' physical safety is extremely important and avoid any type of aggressive action, which could lead to injury to another participant. Participants are also responsible to avoid any activity that could lead to injury when not being supervised by an assigned faculty member or coach.
- All student-athletes are encouraged to participate in as many different sports during each school year as possible. The choice of sports should be determined by the students and their parents.
- Students are expected to report for sports at the beginning of each sport season.
- Team members of all sports are required to attend all scheduled practices and meetings during the established sports season. If circumstances arise whereby the student cannot attend a practice or meeting, the validity of the reason will be adjudged by the individual coach. In all cases, however, the coach must be notified, before the practice or meeting missed, by personal contact, phone call, or written statement from the parent or guardian.
- **LEAVING A TEAM / QUITTING A TEAM / REMOVAL FROM A TEAM:** Any athlete that quits a team or is removed from a team for any reason during the season will not be permitted to go out for any other team of that sport season or participate in a practice, conditioning program, or weight room activity of any team preparing for an upcoming season. The athlete must wait until the current sport season is completed. The end of the sport season is defined as the day following the last scheduled contest for all teams. For all NMAA tournament roster teams, the date that a team is eliminated from the state tourney is considered the conclusion of a sport season. An athlete is considered a member of a team at the conclusion of the tryout period at which time the coaching staff has selected the team.

If an athlete wants to quit a sport, he/she will be given 24 hours to reconsider their decision. If he/she quits or is removed from a team for any reason, he/she will not be allowed back on the team for one calendar year. An athlete who is removed from a team for disciplinary reasons may not be allowed to participate in any other sport season for the remainder of the school year. An athlete quitting or being removed from a team must immediately return all equipment and clear all financial responsibility with the school.

- Pre-sport preparations include:
  - Having on file with the Athletic Coordinator, a current physical.
  - Having on file with the Athletic Coordinator, current emergency care information (i.e. name of medical insurer and numbers).

### **706 HOMECOMING**

- The Secondary Principal may invite additional students to attend the Junior/Senior Prom based on a Student Guest List that has been provided by the current junior class. If the list is approved, a **Student Guest Request** form should be completed for each additional guest.

### 707 JUNIOR/SENIOR PROM

Annually in the spring of the year, the school will hold a Junior/Senior Prom off-campus. This event is sponsored by and paid for by the Junior Class as a gift to the graduating senior class. The maximum amount the Junior Class can spend on Prom is \$3,000.

Students eligible to attend this function are limited to sophomores and above. No same-sex couples are allowed at the prom.

Students from outside the school may be invited, but they must have Administration permission to attend before the event. Determination on who may attend the Prom rests with the School's Superintendent, as noted above, and she or he is the final authority on this matter.

The High School Principal will attend and provide the appropriate number of chaperones.

### 708 SENIOR CLASS MISSION TRIP AND EXPENSES

- The Senior Class Sponsor is responsible to schedule all fundraisers and to schedule and preside over all Senior Class meetings. Meetings should be held in an orderly fashion with minutes taken and published. Additionally, they will appoint at least one adult to oversee each fundraising event. The overseer must be aware that they are responsible for the conduct of students involved and for monies raised. All fundraising events must be submitted by the Senior Class Sponsor by the deadlines established for fundraising requests, and approved by the Superintendent. Fundraising request deadlines are as follows: 1<sup>st</sup> Quarter - 3<sup>rd</sup> Friday in August, 2<sup>nd</sup> Quarter - 3<sup>rd</sup> Friday in October, 3<sup>rd</sup> Quarter - 3<sup>rd</sup> Friday in December, and 4<sup>th</sup> Quarter - 3<sup>rd</sup> Friday in March. It is strongly suggested that events be scheduled throughout the year, with as few as possible after Spring Break.
- One parent-treasurer (appointed by the Senior Class Sponsor) will be responsible for the accounting of all monies and to whose account money goes into. This data must be current and reported at least monthly to the Finance Office, the Senior Class Sponsor, and the High School Principal.
- Only those seniors who work a particular event may receive monies from that event. If a senior is unable to attend the event, they may send another worker in their place to represent them (prior approval from the Senior Class Sponsor is necessary). Monies are to be pro-rated out by attendance and time. All records will be turned in by the Senior Class Sponsor to the treasurer.

## CCS STUDENT - FAMILY HANDBOOK

REVISED: MAY 30, 2019

- Monies cannot be used on an individual trip but only for the Senior Class Mission trip. Monies may be transferred back into the account and divided equally among all those going on the trip (exceptions at the discretion of the Superintendent). ). If the whole trip is cancelled or money remains in the account after all expenses have been paid, the remaining balance will be transferred to the CCS Scholarship Fund to support tuition financial assistance for qualifying students. (Updated 7-25-18)
- At least 1/2 of the monies required, per student, must be raised before Christmas break.
- The remaining amount must be raised by April 30<sup>th</sup>.

- Class sponsors, parents, and students need to be aware that the class is responsible for their chaperones, the bus driver's, and class sponsor's trip expenses.
- Trip destination must be approved by the Superintendent and then finalized with all costs and schedules by the last Friday of October. Trip destinations must clearly reflect a Christian mission or ministry focus. No cruises are allowed. As liaisons, two senior class parents will be the designated coordinators of planning the Senior Mission Trip. Their role is to communicate important ideas and information to all senior class parents, the Senior Class Sponsor, and the High School Principal. Any Senior Class student or parent, as well as the Senior Class Sponsor, may make ideas and suggestions. Upon gathering information, the Senior Class Sponsor is to present the options to the Superintendent for a final decision and approval. Time must be allowed for any changes in order to still meet the October deadline.

The Senior Class Mission Trip is a school-sponsored trip, and students on school-sponsored trips are expected to adhere to the policies and rules of CCS while on those trips. Students that violate CCS policy, while on a school-sponsored trip, place themselves in a position of jeopardy and may be required to return home prior to the end of the trip at their own expense, if so determined by the Superintendent. Only actively enrolled students of CCS will participate in this trip.

- Any late in-coming students and their parents should be notified immediately by the Senior Class Sponsor of the Senior Mission Trip plans, cost, etc., so they may be allowed to participate as well.

### 709 GUIDANCE SERVICES

Eighth grade students will begin developing their Next Step Plans before the end of the school year.

### 710 HEALTH SERVICES

By state law, students are required to attend school regularly. However, if your child is sick or running a fever, please keep him/her home so others are not infected. The child needs to be without fever for at least 12 hours (without fever reducing medication) before they can return to school. ***Parents should call the school office by 9:00 A.M. when their child is absent from school.*** If notification is not received, the school will attempt to contact the parents to ensure the child's safety and whereabouts. Students that are absent from school without notification (and when the school is unable to contact a parent) will be considered unexcused. Students that acquire an unexcused absence ***cannot*** make up work for the classes they missed and will receive a zero for all missed assignments.

It is the policy of the health office to send a student home for any of the following symptoms:

- Fever of 99.9 or higher
- Vomiting or diarrhea within the last 24 hours
- Sore throat (especially with a fever)
- Thick green nasal drainage
- Green drainage from eyes
- Open or draining sores
- Any other symptoms the Health Assistant may consider contagious

Children who are suspected of having a communicable disease (including all of the above symptoms) will be sent home for diagnosis and treatment. After a child is diagnosed with an "infection" it is very important to keep him/her out of school for at least 24 - 48 hours after starting antibiotics. After a child is sent home with any suspected contagious disease they are required to bring a note from the doctor upon returning to school. The note should clearly state the date that they may return to school. Any student returning to school without written permission from their physician may be sent home until such permission is obtained.

#### **710.1 OVER THE COUNTER MEDICATION**

No over the counter medications (OTC) will be given to any student without written parent permission. A standard "OTC Medication Authorization" form needs to be completed annually and returned before a student can receive any medication at school. These forms are located in the annual enrollment

packets. If a parent does not want their child to receive any medication at school, the form should be completed accordingly.

Elementary students will not receive Tylenol or Motrin unless the parent has been contacted via telephone and has given verbal authorization to do so.

If a student requires any over the counter medication that is not listed on the authorization form, it will be treated as a prescription drug (see below).

**NO** student is allowed to carry **any** medications with them during school hours unless arrangements have been made through the school health assistant with the exception of cough drops. If your child has a cough, please provide him/her with cough drops to carry on his/her person.

**All medication is to be kept in the health office in a locked cabinet.**

### **710.2 PRESCRIPTION MEDICATION**

Prescription medication cannot be administered until the Clovis Christian Schools Medication Policy form is filled out and signed by the parent and the physician. A new form is required for each prescription change and at the beginning of each school year. **No** medication will be given if these requirements are not met.

**All** medication must be brought in its original container, which should be clearly marked with the child's name, name of medication, dosage, and pertinent instructions. No medication will be given if sent in an envelope or bag. Students may not carry their medication to and from school without written, dated, and signed authorization from the parent that should include the child's name, medication, and the length of time the child will be on the medication.

Parents/Guardians may pick up unused medication in the health office at the end of the school year. Any remaining medication will be disposed of properly. If your child has any unused medication in the health office you will receive written notice before the end of the school year.

The school retains the right to reject requests for administration of medicine at any time, as deemed necessary.

### **801.3 Bus**

CCS charges a small bus fee for all students who need transportation to and from school.

Utilizing the CCS bus/van service as a means of transportation to and from school is a privilege. Therefore, the following guidelines have been established for the safety and welfare of all students who are bus/van riders.

Bus/van disruptions, deliberately or inadvertently interfering with the safe operation of a school vehicle which is stopped or moving, behaving in a manner adversely affecting an individual or any property on or near the bus/van itself, at bus stops, or at pick-up areas will result in a progressive discipline procedure as stated below:

#### ***Progressive Discipline Procedure for Bus/Van Disruption***

The bus driver, in cooperation with the principal, administers the Discipline Procedure.

- ***First offense*** - The bus driver issues a Bus Incident Report stating the offense. The Bus Incident Report is turned into the school office. Parents are informed that bus privileges may be suspended should another incident occur.
- ***Second offense*** - The bus driver issues a Bus Incident Report stating the offense. The Bus Incident Report is turned into the school office. Parents are informed of a minimum 3-day bus suspension and of the procedures for further bus incidents.

Those desirous of visiting the school as prospective students or parents are to first contact the office for approval. Students desiring a visitor on campus must first have a Visitor Request Form, CCS-A-42, approved.

**902 GROUNDS**

Our campus should be maintained to provide an aesthetically pleasing image. Special attention should be given to school parking areas and loading/unloading areas.

The student must be legally licensed, and the vehicle must have current registration and insurance. Students must park in designated areas only and comply with established rules. Unauthorized vehicles may be towed at the owner's expense. The CCS campus speed limit is 5 MPH and violation of this policy can lead to an individual's right to drive on campus being revoked.

Parking areas are designated as follows:

- Staff members will use the parking spaces on the east side adjacent to the main building as well as the west parking lot immediately adjacent to the gym.
- All student drivers will park in the west parking lot at the Humphrey campus and will display their CCS parking permit where it is visible through the front windshield.

## ***Clovis Christian Schools*** **COMPUTER AND INTERNET CODE OF CONDUCT**

Use of the CCS computer system and access to the Internet by students and staff of the Clovis Christian Schools shall be in support of education and research that is consistent with the mission and curriculum of CCS. Internet use is limited to those persons who have been issued district-approved accounts.

Use will be in accordance with the district's Acceptable Use Procedures and this Code of Conduct:

1. Keep confidential and protect all computer and Internet passwords, access codes, or logon information from disclosure to others.
2. Respect the privacy of other users. Do not use other users' passwords. Unauthorized use of passwords, access codes, or other confidential account information may subject the user(s) to discipline, and to both civil and criminal liability.
3. Be ethical and courteous. Do not send hate, harassing, or obscene mail; discriminatory remarks; or demonstrate other antisocial behaviors. State law prohibits the use of electronic communication facilities to send fraudulent, harassing, obscene, indecent, profane, intimidating, or other unlawful messages. See NMSA 1978, § 30-45-1 et seq.
4. Maintain the integrity of files and data. Do not modify or copy files/data of other users without their consent.
5. Treat information created by others as the private property of the creator. Respect copyrights. Software protected by copyright shall not be copied except as licensed and stipulated by the copyright owner.
6. Use the network in a way that does not disrupt its use by others. Do not use the Internet for commercial purposes. Transmission of commercial or personal advertisements, solicitations, promotions, destructive programs, or other unauthorized use unrelated to the mission or curriculum of CCS is prohibited.
7. Do not destroy, modify or abuse the hardware or software in any way. Users shall report any suspected abuse, damage to equipment or tampering with files to the CCS administration or IT Coordinator.
8. Do not develop or pass on programs that harass other users or infiltrate a computer or computing system and/or damage the software components of a computer or computing system, such as viruses, worms, "chain" messages, global mailings, ResEdit, etc. Do not "hack" the system. Attempts to gain unauthorized access to confidential information or private directories maintained by CCS or to circumvent privacy protections on internal files or non-public restricted files, accounts or directories of any external source is a violation of this code of conduct, and may subject the user to civil or criminal liability.
9. Do not use the Internet to view, access, download or process pornographic, obscene, indecent, profane or otherwise inappropriate material.
10. Use of the system to access games and use of computer time for game-playing shall be restricted solely to instances directed and monitored by instructional staff and is limited to games which address educational goals.

In addition to disciplinary sanctions which CCS may impose upon students or staff under applicable policies, codes of conduct or administrative regulations, Clovis Christian Schools reserves the right to remove a user's account and deny use and access of the computer system if it is determined that the user is engaged in unauthorized activity or is violating this code of conduct.

APPENDIX A-3

***Clovis Christian Schools  
Laptop Use Agreement***

Terms:

You will comply at all times with the Clovis Christian Schools Student/Parent Laptop Handbook and Acceptable Use Policy. Any failure to comply may terminate your rights and possession effective immediately and CCS may repossess the property.

Title:

Title to the property is in the School and shall at all times remain with CCS. Your right of possession and use is limited to and conditioned upon your full and complete compliance with this Agreement and the Parent/Student Laptop Handbook.

Loss or Damage:

If the property is damaged, lost or stolen, you are responsible for the reasonable cost of repair or its fair market value on the date of loss. Loss or theft of property must be reported to CCS by the next school day after the occurrence.

Repossession:

If you do not fully comply with all terms of this agreement and the Parent/Student Laptop Handbook in a timely manner, including the timely return of the property, CCS shall be entitled to declare you in default and to take possession of the property.

Term of Agreement:

Your right to use and possess the property terminates no later than the last day of the school year unless earlier terminated by CCS or upon withdrawal from CCS. Seniors must clear all records and pay all fees before participating in graduation.

**Use of Chromebooks on the CCS Network**

CCS is committed to the importance of a student being able to continue with his/her work when his/her laptop is experiencing problems. To assist with this problem CCS is providing the following:

Chromebooks in for Repair

From time to time, students may need to turn in their Chromebook in to the CCS Technology Coordinator. It is CCS' goal to turn around repairs within 24 hours.

Charging the Chromebooks

Fully charged batteries should be functional for 8 hours. Students should charge their Chromebooks overnight and not have to rely on electricity access during class. However, students should have their battery charger on-hand at all times if there is a need to use it.

Internet Safety

# CCS STUDENT-FAMILY HANDBOOK

## REVISED: MAY 31, 2019

There are many sites on the Internet that can be potentially dangerous to minors. These sites are blocked with the CCS content filter while students are logged into the school network but may be unprotected outside of school. Students are in violation of district policy if they access these sites through proxies. Parents are encouraged to restrict their home Internet access. For more information about Internet safety go to [www.isafe.org](http://www.isafe.org).

### **General Laptop Rules**

#### Inappropriate Content & Graffiti

- Inappropriate content will not be allowed on Chromebooks.
- Presence of weapons, pornographic materials, inappropriate language, alcohol, drug, and gang related symbols or pictures will result in disciplinary actions.
- If plastic parts of laptop are damaged beyond repair, students will be charged for replacement parts.

#### Deleting Files

- Do not delete any folders or files you did not create or that you do not recognize. Deletion of certain files will result in a computer failure and will interfere with your ability to complete class work and may affect your grades.

#### No Loaning or Borrowing Chromebooks

- Do not loan Chromebooks to other students or family members.
- Do not borrow a laptop from another student.
- Do not share passwords or usernames.

#### Music, Videos, Games, or Programs

- Music and games may not be downloaded or streamed over the Internet.
- Videos may not be downloaded or streamed over the Internet unless associated with educational courses.
- Illegal downloading and distributing of copyrighted works are serious offenses that carry with them the risk of substantial monetary damages and, in some cases, criminal prosecution.
- Copyright infringement also violates CCS' Internet Service Provider's terms of services and could lead to limitation or suspension of CCS' Internet service.
- Students found with illegal files on their computer will have their computer confiscated.

See more about copyright issues at [www.respectcopyrights.org](http://www.respectcopyrights.org)

#### Unauthorized Access

- Access to another person's account or computer without their consent or knowledge is considered hacking and is unacceptable.

#### Transporting Chromebooks

- To prevent hard drive damage, laptops should be shut down between classes.
- Laptops should be transported in the appropriate case and should not be placed in backpacks.
