Moms in Prayer International

Moms in Prayer will be visiting our school on October 9th to hold a special prayer session in the high school chapel. You are welcome to come and join in the prayer service. Their vision is that every school in the world would be covered in prayer. That every individual can make a difference as they reach out to God in prayer. This will take place right after the announcements at 8:15am. A flyer regarding this service will be attached to this email as well. We hope to see you there!

Updated Menu

An updated Menu will be attached to this email. A few small changes were made.
