## Red Ribbon Week: October 23-31<sup>st</sup>

The Red Ribbon serves as a catalyst to mobilize communities to educate youth and encourage participation in drug prevention activities. Since that time, the campaign has reached millions of U.S. children and families. The National Family Partnership (NFP) and its network of individuals and organizations continue to deliver his message of hope to millions of people every year, through the **National Red Ribbon Campaign™**.

We will be reading some drug prevention facts to our students every day during Red Ribbon Week. There will be elementary appropriate facts and middle and high school facts as well. We will also have a week of theme days where we encourage our students to dress up. Prizes will be awarded to kids who participate during the week.
