Veteran's Day Bulletin Board

For Veteran's Day we will be creating bulletin boards to honor our current and past veterans. We are asking our families to please send in a picture (A COPY NOT AN ORIGINAL) of the veterans in their families. You can also email them to us and we can print them out. Please label them with the name of the Veteran, rank, branch of service, name of the student they are related to, how they are related to the student, and if they are actively serving or retired. We look forward to celebrating all of our veterans.

Dig Pink!

October is Breast Cancer Awareness Month. On October 22nd, the volleyball team will have game to bring awareness to this disease. We invite all students and families to wear **pink** that day to show support.

What is Dig Pink®?

Schools, tournaments, and clubs unite their communities by hosting events that create impactful experiences and build positive team culture, all while fundraising for Side-Out's stage IV breast cancer research.

Designed to educate and empower young athletes, Dig Pink teaches the value and importance of giving back to the community, working as a team, and taking the initiative to get involved.

You don't have to be a volleyball team or student-athlete to be a part of the Dig Pink movement.
