Clovis Christian Schools will be closing from March 16 – 27 with school potentially resuming on March 30th. During this two weeks off, there will be no school activities or practices that occur. On March 27th, CCS will provide an update as to how the school will proceed from March 30th on through the end of the school year. High School students need to continue to monitor their college classes and complete their college assignments as determined by their college course instructors.

Any prepaid meals or snack orders will be credited to the student's account.

CCS will not conduct online classes at this time with the exception of college classes which are already in place.

Students will not be required to make-up the days we are cancelling school for the next few weeks.

We encourage our Eagle families to follow the guidelines for self-imposed social isolation so that these extensive precautions have a chance of working.

If you have questions, comments, or concerns, please call or text Jim Haley at 832-331-3360.
