# 2026

Happy May, Eagle Families,

I pray that this final month of school finds each of you well. As you can see in the attached calendar, the month is filled with many events. Stay informed by checking email and our Facebook page regularly for updates. Please be especially mindful of two events that are near and dear to the hearts of our school. These include the National Day of Prayer, coupled with our courtyard dedication ceremony. This will take place on Thursday, May 7th at 8:15 a.m. We are prayerful that God will bless us with a huge crowd and that all families, alumni students, and staff will be in attendance for this special time of blessings.

Additionally, it is Teacher/Staff Appreciation Month! It goes without saying that the entire staff deserves recognition every single day for the beautiful work they do. Much of this work is behind the scenes and is often not visible to others. Whatever way you choose to say, "thanks," and show gratitude to the incredible staff of CCS, I would like to reciprocally express my gratitude and thanks to each of you who have blessed my time at CCS over the last five years. I am forever indebted to Clovis Christian Schools for many reasons. In five years, the love and appreciation I have for our students, families, staff, and Board is unsurpassed. In the many years I've been in education, Clovis Christian has been the absolute "cherry on top." While I will be focusing my efforts on various family projects and other future professional endeavors, my heart will remain at Clovis Christian Schools, where I will be serving in various other needed capacities as future projects continue to unfold for us.

May the peace and joy of the Lord be with you always,

Dr. Shelly Norris

# A prayer for summer mornings and sandy shoelaces...

Father, thank You for bright days and slow evenings, for popsicles melting faster than we can eat them, and for the sound of laughter drifting through open windows. Teach our family to see Your goodness in small things and to rest in Your steady love. Jesus, You welcomed children. Help us welcome questions, energy, and feelings—joy and disappointment alike. Give us words that build up and patience that steadies our steps. When schedules change and plans shift, guide us with Your gentle hand. Holy Spirit, light our path as we read the Bible together. Grow Your fruit in us—love and joy when we are tired, peace and patience when lines are long, kindness and goodness when friends need help, faithfulness and gentleness when mistakes happen, and self-control when tempers rise.

Bless our porch conversations, park picnics, and bedtime whispers. Form a quiet confidence in our children that they are known and loved by You. May this summer become a simple song of gratitude, sung in our hearts and shared with our neighbors.

Amen.

# PARENT SPOTLIGHT

## Rachel Cordel

Rachel Cordel is a long-time resident of Roosevelt and Curry counties and a 2004 graduate of CCS, where she attended for seven years alongside her sister and cousins. She and her husband are grateful for a Christ-centered school in Clovis where their three children can complete K–12 and be shaped during their formative years by a caring, intentional Christian community at home, church, and school.

Over the past seven years, Rachel has been actively involved in CCS through PACE, fundraising efforts, library support, and more. She is currently in her third year of service on the CCS Board. She values the school's smaller class sizes, Christ-centered curriculum, and dedicated Christian teachers. Rachel is excited about the direction CCS is heading as it continues to grow and impact students for Christ.
