Norris' News

Dear Fabulous Eagle Families,

I pray that April finds each of you well! As we near the end of our school year, we just wanted to remind everyone that fall registration is open and going incredibly well! We currently have a waiting list for 2nd and 3rd grade classes for the fall.

Additionally, we are preparing to review all scholarship applications that our families have submitted. If you plan to apply for scholarship tuition support for the upcoming school year, it's not too late. You will need to go into your FACTS account and do so BEFORE April 15th.

Quick reminder, if your family received scholarship support this year, and you've not yet met your volunteer hours requirement, please reach out to Mrs. Sarah Acheson at the elementary school. She keeps our volunteer log up to date. Please also note, we are once again sharing that tuition scholarship funding is now available to NEW families, not just returning families. Additionally, for the first time ever, we are also providing scholarship funding opportunities to families throughout the year, with intermittent availability dates. Our hope is that this will allow families who wish to attend to not have to wait for a year to receive support.

Please be mindful of the many, many upcoming events for C.C.S. Although a calendar is attached, we are consistently adding new and fabulous activities to the schedule. Certainly we hope everyone is able to stay abreast via email and through our Facebook page. Please also note, your student's classroom activities will also be communicated to you from their teacher!

Have a beautiful April!

The Easter Story: A Journey Through Holy Week

Palm Sunday

The Easter story starts with an event called the Triumphant Entry on Palm Sunday. Jesus was going into Jerusalem, which was a big city.

As He entered on a donkey, lots of people came out to greet Him. They waved palm branches in the air and laid them on the ground to honor Jesus. The palm branches were like a special welcome mat! The crowds shouted "Hosanna!" which means "please save us." They were excited because they believed Jesus was the Savior, the Messiah, that God had promised to send. Jesus was coming to Jerusalem to save people, but in a different way than they expected.

This Triumphant Entry marked the beginning of a very important week leading up to the events, that we celebrate as Easter. It's called Holy Week or Easter Week. During this week, some of the most meaningful events in Jesus' life took place. The people welcomed Him joyfully not knowing the sacrifice He would make for them in just a few days.

After the Triumphant Entry on Palm Sunday, the Easter story continued with the Last Supper, Jesus' prayer in the garden, His arrest, trial, crucifixion on Good Friday, and then His resurrection

Good Friday

Good Friday is the day we remember Jesus' death on the cross. It's called "Good" Friday, even though it was very sad, because Jesus did something so amazing and good for all of us. The Bible calls Jesus the "Lamb of God." A lamb is a young sheep, and it was a sacrifice that was offered in the Old Testament times to pay for people's sins. Jesus was the ultimate, perfect sacrifice. He chose to give up His life willingly so that our sins could be forgiven. The terrible way He suffered and died shows just how much He loves us.

In the Bible, we read about how Jesus was betrayed by one of His disciples named Judas. Then Jesus was put on trial, even though He was innocent and didn't do anything wrong. After being beaten and mocked, Jesus was nailed to a cross to be crucified, which was a punishment back then. As Jesus died, He took all our sins upon Himself as the sacrifice to make us right with God.

The stories of Jesus' betrayal, unfair trial, beating, and crucifixion are very sad. But they remind us of the huge price Jesus paid and how much He gave up because He loves us so much. His death on the cross made a way for us to be forgiven and saved.

Easter Sunday

The amazing Easter story doesn't end with Jesus' death on Good Friday. Three days later, on Easter Sunday, something incredible happened! Jesus came back to life. We call this the Jesus' resurrection. After Jesus died on the cross, His friends buried His body in a tomb. A tomb is like a small room carved out of rock, with a huge stone rolled across the entrance. When some women went to the tomb on the third day, they were shocked to find the massive stone rolled away and the tomb empty! An angel was there and he told them, "He is not here; he has risen, just as he said."

By rising from the dead, Jesus conquered sin and death once and for all. Sin is the bad things we do that separates us from God. And death is what happens when our physical body stops working. But because Jesus defeated sin and death through His resurrection, we can have victory over them too when we believe in Him. This does not mean that we will not die one day. But it does mean that when we die, we will get to spend forever in heaven with God!

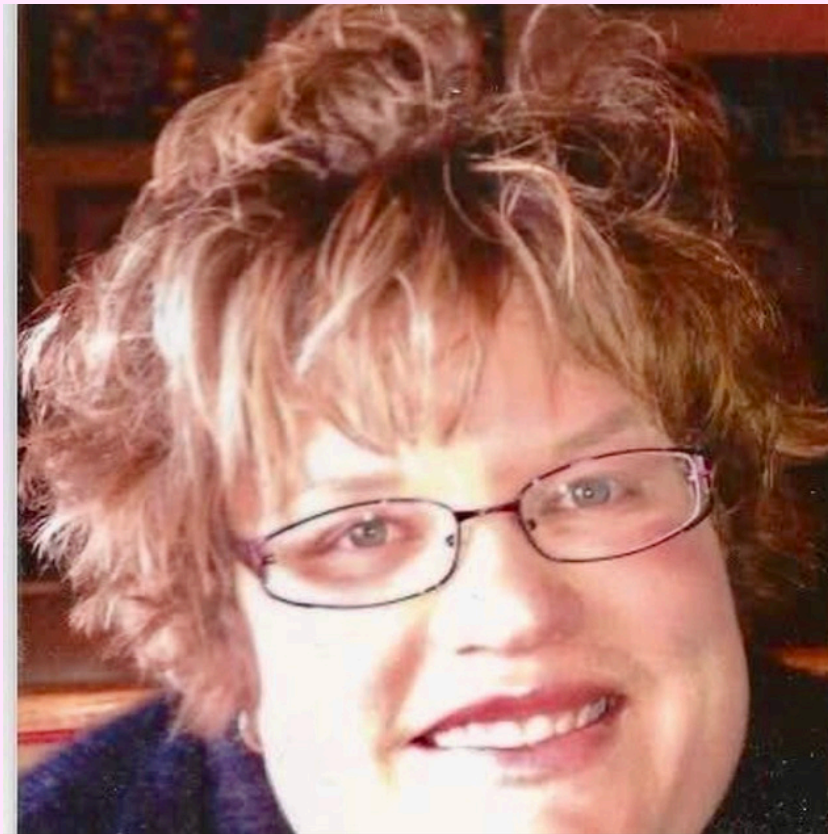

The resurrection is the most important part of the Christian faith. It gives us the promise that we can live forever, even after our bodies die on earth. Jesus' rising from the dead gives us a future hope of eternal life with Him in heaven. His resurrection is a message of hope that nothing is too powerful for God!

Jesus opened the way for us to be forgiven and have a fresh start - a new life with Him forever. That's the best reason of all to celebrate at Easter!

Volunteer Spotlight

Buffy Brandon

Buffy Brandon is our featured Volunteer for the month of April! Buffy was born in Clovis and has lived in Clovis all of her life. She went to Clovis Christian School from 8th grade on and is a graduate of Clovis Christian School. She loves this school because of the emphasis on Christ and The Bible! She appreciates that all of the staff are caring and loving and portray Christ-like attributes to all the students, parents and one another! She also loves caring for the students! Buffy has been volunteering at CCS about 3 years and has enjoyed it so much! We sure appreciate all Ms. Buffy does for us!
